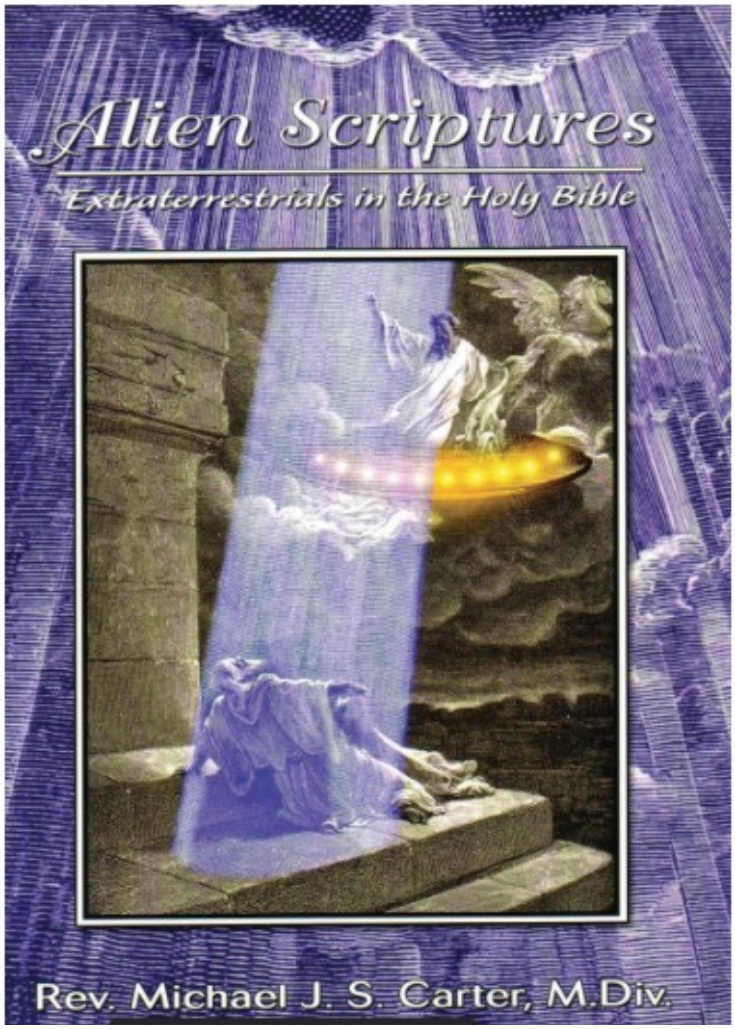
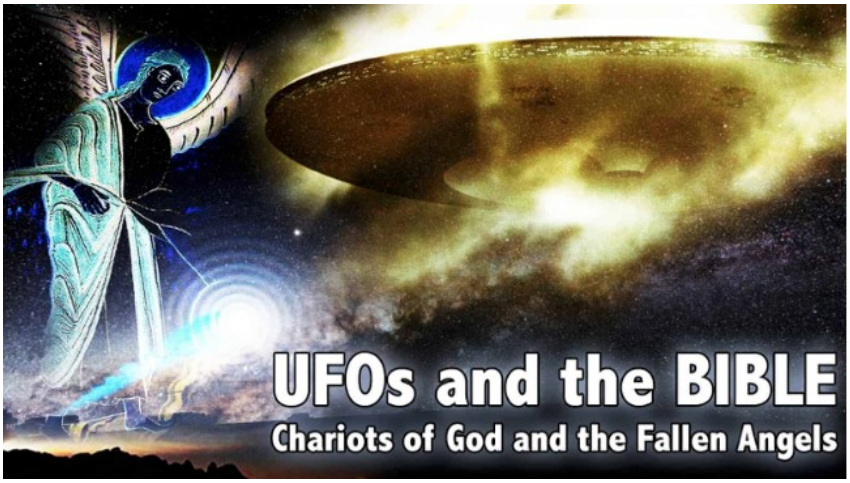
ALIENS OR DEMONIC LIARS IN DISGUISE
"WHO WERE THE ARCHONS"



Colossians 2:18 ⌄ New International Version ⌄

18 Do not let anyone who delights in false humility and the worship of angels disqualify you. Such a person also goes into great detail about what they have seen; they are puffed up with idle notions by their unspiritual mind.



Archons were not Aliens they were EVIL SPIRITUAL BEINGS that we refer to as aliens today

I looked, and I saw a windstorm (***Ruach***) coming out of the north—an immense cloud with flashing lightning and surrounded by brilliant light. The center of the fire looked like glowing metal, and in the fire was what looked like four living creatures... All four of them had faces and wings, and the wings of one touched the wings of another. Each one went straight ahead; they did not turn as they moved...

The appearance of the living creatures was like burning coals of fire or like torches. Fire moved back and forth among the creatures; it was bright, and lightning flashed out of it.
The creatures sped back and forth like flashes of lightning...

Each appeared to be made like a wheel intersecting a wheel... Their rims were high and awesome, and all four rims were full of eyes all around.

When the living creatures moved, the wheels beside them moved; and when the living creatures rose from the ground, the wheels also rose. Wherever the spirit (***Ruach***) would go, they would go, and **the wheels would rise along with them**, because the spirit (***Ruach***) of the living creatures was in the wheels...

When the creatures moved, I heard the sound of their wings, like the roar of rushing waters, like the voice of the Almighty, like the tumult of an army...

Don’t be fooled by who they really are. They are the Archons

President Obama formed the “We The People” website where any group can go in and ask questions and expect an answer from the White House.

FOX NEWS
"Whether aliens are probing Earth or are already among us is yet to be officially confirmed. What's not in doubt for many of us is the spiritual battle between the forces of God and Satan, which is intensifying."
– Lt. Col. Robert Maginnis, (ret.)

Many thought that UFO disclosure would happen under Obama. The response that came back on the “We The People” website regarding the existence of aliens was really important but the American public neglected to TAKE THE HINT. The answer was; “There is no evidence that this planet has ever been visited by extraterrestrials and there is no evidence that any life exists outside our planet or anywhere in the universe.” I agree with that statement. The problem is that the site did not state what does exist that people are seeing and experiencing.

“SETI (Search for Extra-terrestrial Intelligence) has been operating their facility now for years and years. SETI was designed and built to make contact with Aliens in the TRUE SENSE OF THE WORD. Unfortunately no communication has ever been made between the SETI staff and Aliens yet people have been having sightings of these entities we CALL aliens for thousands of years. What the heck is going on?

IF THEY AREN’T ALIENS FROM OTHER PLANETS THAN WHO AND WHAT ARE THEY **REALLY**?

Those of us who have been researching aliens for a long time are aware of the fact that these entities that we refer to as aliens have some very unusual qualities that DO NOT FIT THE DESCRIPTION OF A TRUE ALIENS. However, they do have all the characteristics of demonic entities that the ancients referred to as EVIL SPIRITS, gods and agents of the gods, etc.

We have always thought that evil spirits were unseen vixens that plagued people for various reasons. Most of us never thought they had physical bodies, most of us thought that they were a myth that storytellers talked and wrote about. Yet history and legends tell us a different story. As a matter of fact the entities worshipped by the Jews, Hebrews and ALL historic and prehistoric cultures warned their victims never to make any graven images of them. They were not to portray them the way they appear. These cultures then used many different images to portray these evil spirits so that people would know who they were referring to. All cultures that worshipped these entities did the same thing; they used other symbolic means to identify these evil vixens.

Jesus appears to His disciples

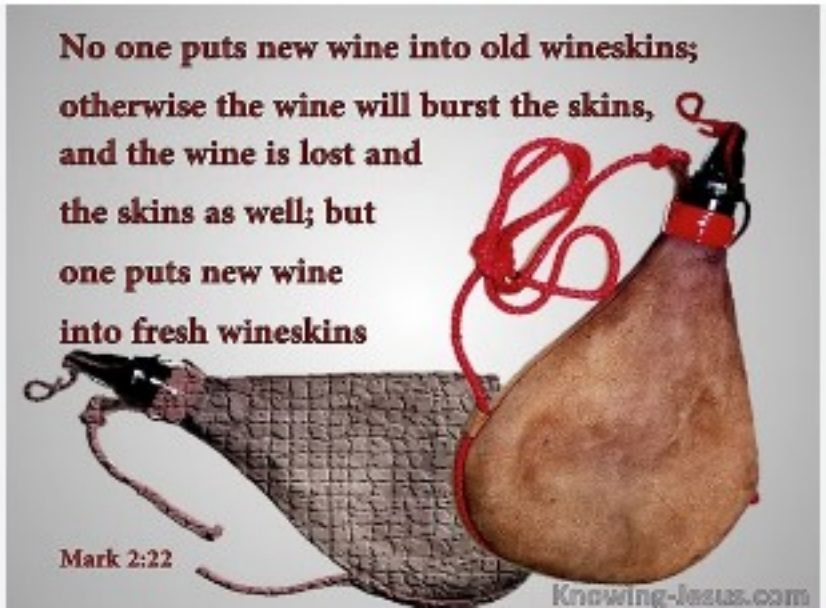
Their eyes were kept from recognizing him
"Then their eyes were opened and they recognized him, and he disappeared from their sight."

SO LET'S TALK TURKEY ABOUT WHO SPIRITUAL BEINGS ARE AND WHO JESUS WAS

When you shut down the Christian programming and lies we find in the Bible and from Christian pulpits and open our selves up to what Jesus was saying and who he really was instead of what the church preaches about him, what we find is this.

Jesus was known back then to his followers as a spiritual being that took physical form on earth to communicate with his people. He was NOT HUMAN BEING. He came to warn us about these evil beings known as "the gods." He did not come to earth to die on the cross for our sins he came to save/rescue us from "the gods." The Crucifixion story is actually a pagan satanic custom that was COPY PASTED into the story of Jesus by the Jewish and Roman Orthodox Catholic and Christian Church (JROCCC).

"The Evil gods" were also spiritual beings that we refer to as ALIENS TODAY. These alien gods were forced to live inside the earth and dark matter after contaminating the human race, Jesus original human race or tribe that he loved and missed.



No one puts new wine into old wineskins;
otherwise the wine will burst the skins,
and the wine is lost and
the skins as well; but
one puts new wine
into fresh wineskins
Mark 2:22
Knowing-Jesus.com

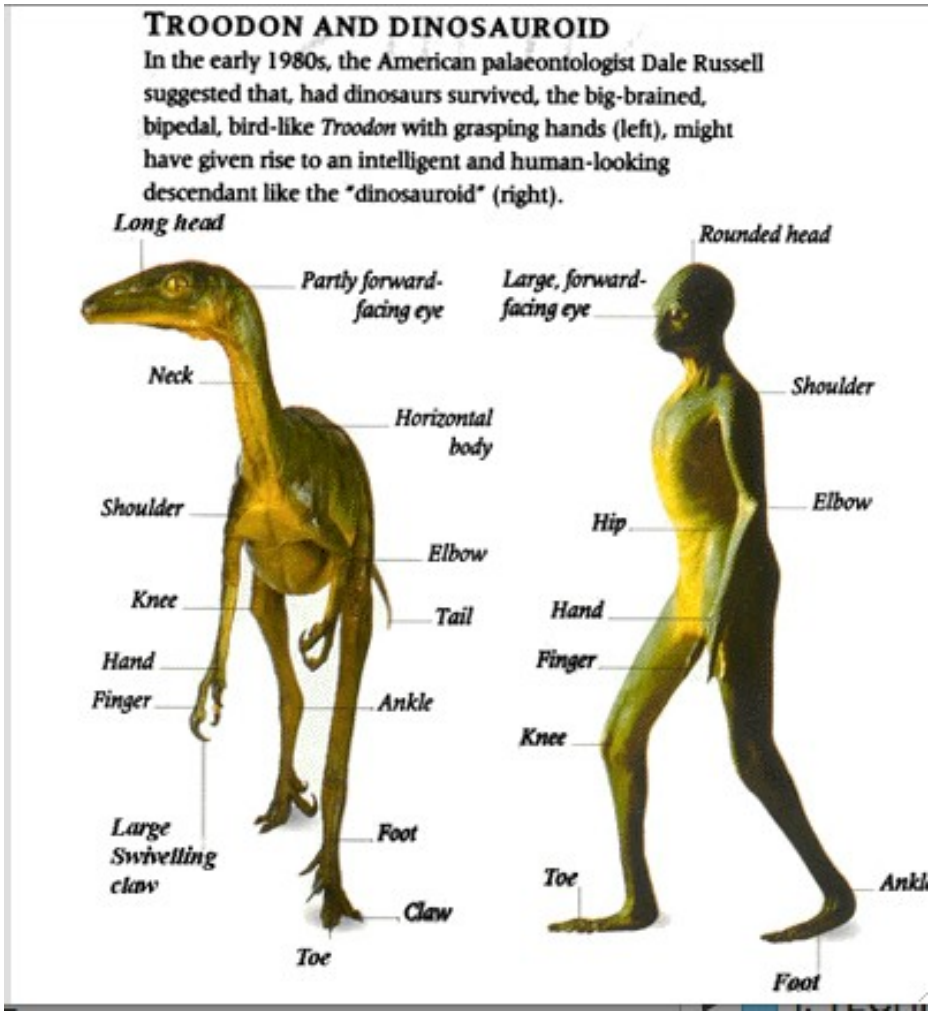
He came to teach the NEW WINE saying "Do not put my NEW WINE in your OLD WINE SKINS."

Jesus was surrounded by his WATCHERS, which were beautiful spiritual beings that were created to guide and protect ORIGINAL MAN until a group of them fell to become the FALLEN WATCHERS who were "the evil gods" that sought to destroy ORIGINAL MAN and our souls. These fallen beings are who alien human hybrid cultures around the world worship.

When Jesus appeared on earth he spoke of a future time when he would be back to remove these '"alien gods" and then save and rescue those who follow him. That time appears to be today at the end of the CHURCH AGE aka END TIMES.

We are not witnessing aliens from other planets we are experiencing evil spiritual beings who hate Jesus and mankind. After they fell they lost their looks and lost their abilities to create from scratch. To create bloodlines that would worship and cater to them they had to resort to cloning.

THESE EVIL SPIRITUAL BEINGS HAD TO RESORT TO GENETIC ENGINEERING AND MANIPULATIONS TO CREATE ALIEN HUMAN HYBRID ASSOCIATES AND RACES THAT WOULD CATER TO THEM



REPTILIAN AND GRAY ALIENS APPEAR TO BE GENETICALLY MODIFIED BEINGS AND CLONED BEINGS THAT WERE CLONED TO ASSIST THESE EVL FALLEN WATCHERS.

WHO IS DINOMAN

These evil spiritual beings would then enter or take over that cloned body like we step into a car to transport ourselves around. How did they create these Chimera? Science tells us that if you take the DNA of a Velosoraptor and then fuse it with human DNA or let it evolve by tweaking it that the reptilian alien form could be the result. THIS IS WHAT THEY REFER TO AS DINOMAN.

Our governments have been concealing what they know about these entities while claiming that they have not made contact with aliens. I agree with what our government is saying on the surface because the entities they are concealing are NOT ALIENS, not in the true sense of the word. This is why the government can say that there is no proof aliens exist.

They are, according to the government, dealing with spirit beings. All ancient cultures spoke about these spirit beings ALL OF THEM. They all had different ways to describe the same beings. In the Orient, the reptilians were described as dragon's as seen in there Oriental lore. In the British Isles the Grays were sometimes described as 'Little People" or Leprechauns. The list of names and descriptions are unending because these beings vary so much.

The Edge of Vampire Diarie...

For a long time scientists have made attempts to understand how these entities operate because they do not behave or function according to any science that we know of. They also engage in horrific acts such as cattle and human mutilations, they engaged in human and child abductions, cloning and human sacrifice. They cannot make human beings so they clone human hybrid ELITE races they can manipulate that appear to carry copper based aquatic blood DNA. It is referred to as BLUE BLOOD, which is associated with or includes aquatic reptilian blood anomalies.

What we refer to as Aliens in our world, can appear and disappear in and out of our three-dimensional world by entering and exiting portals or by tuning in and out of earth's electromagnetic field. Don't think Woo Woo think technology.

They DO NOT COME FROM ZETA RETICULI, as mind gamed seers and programmed abductees claim nor do they come from other planets out side our solar system because they cannot leave our solar system. They have been seen attempting to fly past our solar system but bounce off a barrier known as the VEIL IN ANCIENT LORE.

All ancient cultures including the Jews and Hebrews knew that these entities lived inside our earth. The Jews referred to the inside of the earth as Tartarus, Sheol, Hell etc., where it smells of sulfur and is a burning hot volcanic (pit of fire) at the corps. All ancient cultures know that these entities traveled in and out of our three-dimensional world to lower dimensions yet these aliens falsely claim they are coming in from higher dimensions, which is where Jesus and our souls came from. As a matter of fact, these demonic entities POP BACK AND FORTH in and out of our three-dimensional world

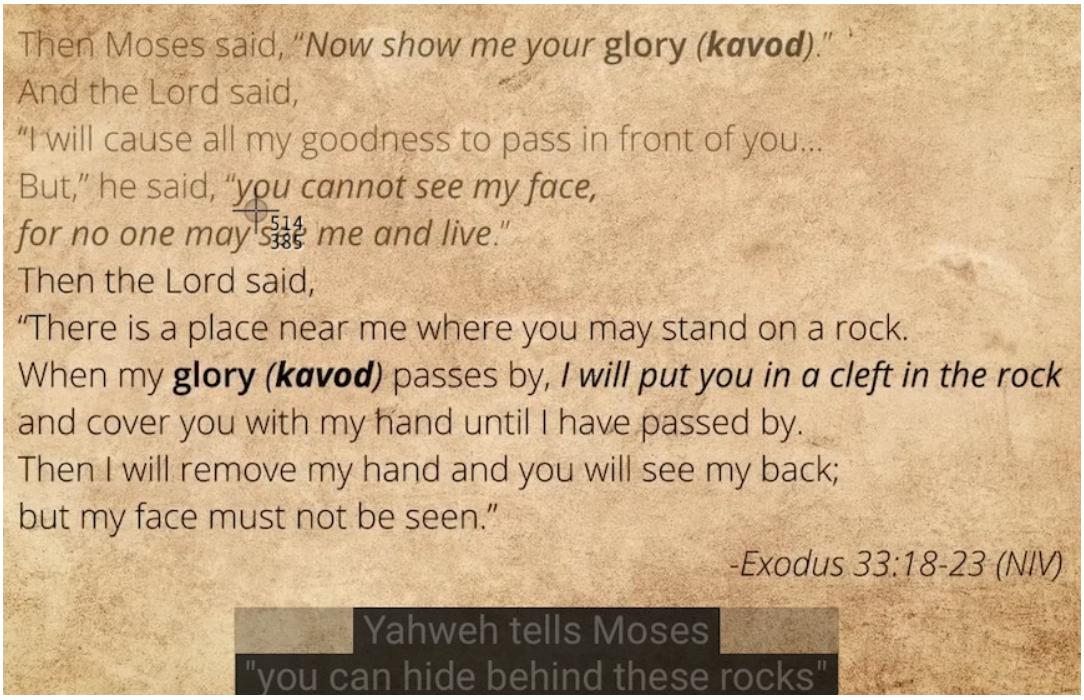
and truly behave like spirit dimension hoppers. They are NOT ALIENS IN THE TRUE SENSE OF THE WORD and never have been. Buyers beware of the deceptions of these deceiving angels.

When you think about Jesus and these entities you discover that these entities were terrified of Jesus. I am not a Jewish and Roman Orthodox Catholic and Christian (JRCCC) Christian per say because I follow the ORIGINAL CHRISTIAN MOVEMENT OF JESUS THAT WAS DESTROYED BY THE JROCCC.

However I do believe that Jesus came into our three dimensional world to warn us about these entities who he and the Apostle Paul referred to as the "EVIL POWERS AND PRINCIPILITIES OF THE AIR who are the real rulers of the world we live in.".

When Jesus healed people or cast out demons he was exhorting (forcing out) these entities from the victims they were possessing.

WHAT ELSE DOES JEWISH AND OLD TESTAMENT LORE SAY ABOUT WHAT WE HAVE COME TO CALL ALIENS



Then Moses said, "Now show me your glory (kavod)."
And the Lord said,
"I will cause all my goodness to pass in front of you...
But," he said, "you cannot see my face,
for no one may see me and live."
Then the Lord said,
"There is a place near me where you may stand on a rock.
When my glory (kavod) passes by, I will put you in a cleft in the rock
and cover you with my hand until I have passed by.
Then I will remove my hand and you will see my back;
but my face must not be seen."

THESE UFO'S WERE DESCRIBED AS GLORIUS

Paul Wallis and Vatican Interpreter Mario Biglano

Some of the names they used to describe the UFO Yahweh Ildabaoth the Demiurge flew in was the Kavod, the Ruach etc.

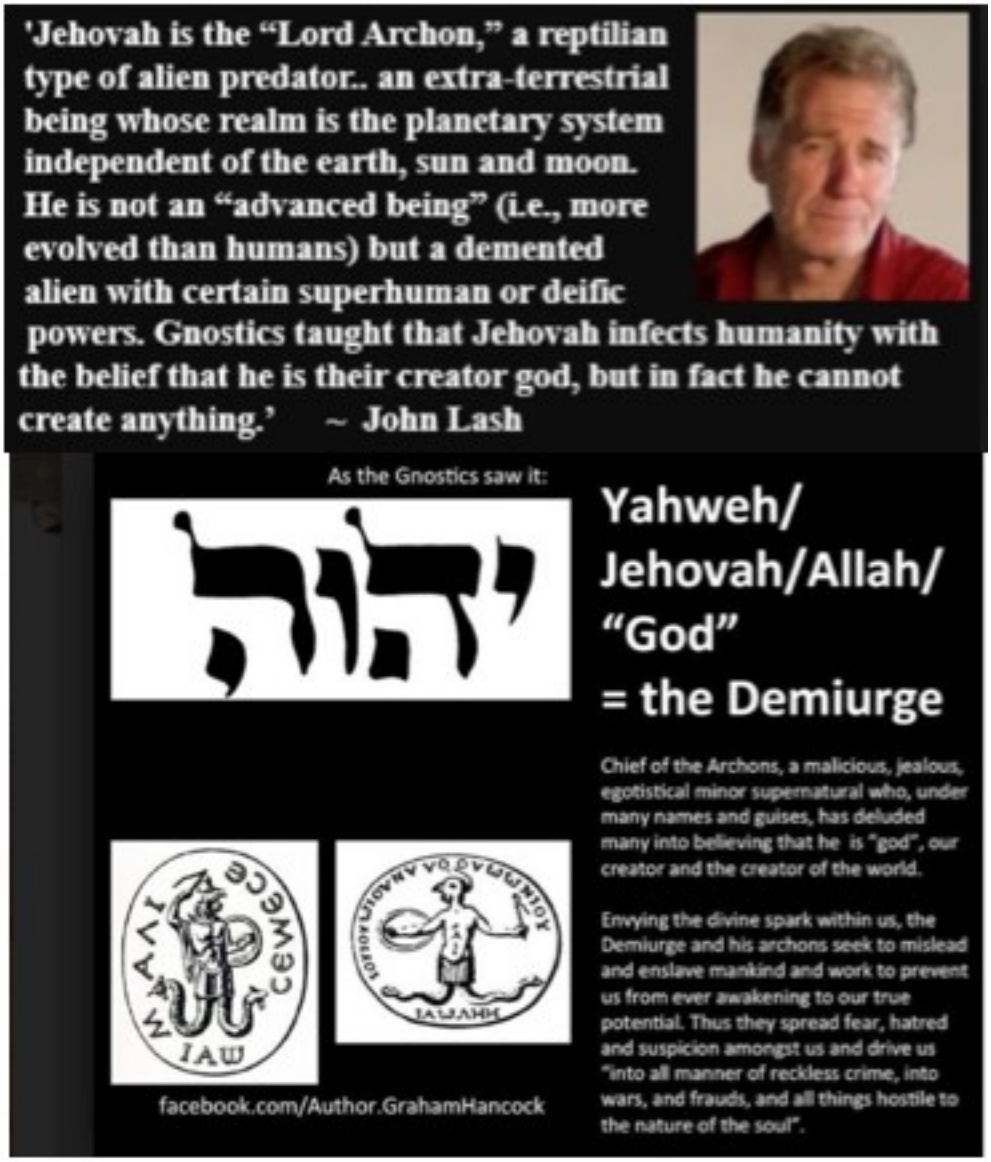
The Bible speaks about Jesus having a conversation with the entity known as Satan who we know as the leader of the Nordic Aryan Alien "Fallen Elohim Watchers" today.

The Nordic's are said to be in continuous war with the alien god of the Jews who was in reality an EVIL REPTILIAN entity Jesus referred to as a LION- FACED REPTILIAN. The ancients knew him as Yahweh Ildabaoth the Demiurge.

This encounter with Satan in the New Testament, if it happened, describes Satan trying to con Jesus into joining forces with him. Con Games are their stock and trade. Jesus told Satan to TAKE A HIKE but my point here is that all cultures describe these beings as dangerous beings or warring factions.

THEY WERE TERRIFIED OF THEM. The Nordic Aryan Alien "Fallen Elohim Watchers" were the lesser of two evils but they all engage in lies, deceit and murder.



'Jehovah is the "Lord Archon," a reptilian type of alien predator.. an extra-terrestrial being whose realm is the planetary system independent of the earth, sun and moon. He is not an "advanced being" (i.e., more evolved than humans) but a demented alien with certain superhuman or deific powers. Gnostics taught that Jehovah infects humanity with the belief that he is their creator god, but in fact he cannot create anything.' ~ John Lash
As the Gnostics saw it:
יהוה
Yahweh/
Jehovah/Allah/
"God"
= the Demiurge
Chief of the Archons, a malicious, jealous, egotistical minor supernatural who, under many names and guises, has deluded many into believing that he is "god", our creator and the creator of the world.
Envying the divine spark within us, the Demiurge and his archons seek to mislead and enslave mankind and work to prevent us from ever awakening to our true potential. Thus they spread fear, hatred and suspicion amongst us and drive us "into all manner of reckless crime, into wars, and frauds, and all things hostile to the nature of the soul".

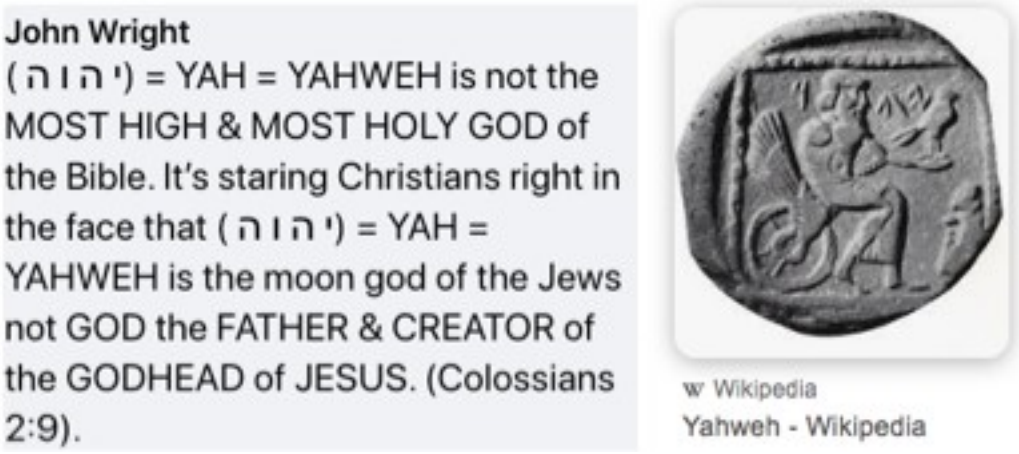
The Universe in this case appears to refer to DARK MATTER

If Christians would actually take an honest look at the Bible they would discover that the Jews in the Old Testament were terrified of the Lion-faced reptilian god they worship who warned them NOT to create any graven images of him. The above image was created and it sure looks like a reptilian alien.



John Wright
(י ה ו ה) = YAH = YAHWEH is not the MOST HIGH & MOST HOLY GOD of the Bible. It's staring Christians right in the face that (י ה ו ה) = YAH = YAHWEH is the moon god of the Jews not GOD the FATHER & CREATOR of the GODHEAD of JESUS. (Colossians 2:9).

The Bible itself is one of the best sources we have of how mankind in general dealt with these demonic entities in the past.
People who work in under ground bases with these entities under the Shadow Government Black Ops Programs describe the environment as oppressive and extremely dangerous. These entities are contaminated beings.

A scientist by the name of Dan Burisch, who worked in S4 at Area 51, has to ware Hasmat gear to protect himself when he is in physical contact with the gray entity they call J-Rod. J-Rod was one of the gray demonic aliens that was rescued in the Roswell New Mexico crash. During one of session with J-Rod, Dan Burisch fell. While Dan Burisch was lying on his back, J-Rod reportedly mounted him and downloaded a great deal of data into his memory banks. From that point on Dan Burisch began promoting the ALIEN AGENDA DATA that has been spreading like wild fire among people who deal with these demonic beings today including Richard Greer. We have to realize these are demonic spirits not aliens who have

physical bodies. They are deceivers who lie and are capable of the most horrific actions.

These entities are consumet liars. They have also been referred to as soul vampires. They lie and deceive their victims while they covertly attempt to destroy their souls. A soul is not an illusive organ somewhere in or outside our bodies, the word soul is an ancient reference to the real us that lives in and uses our bodies as vehicles to operate on earth in. Your soul is YOU, the real YOU. Ancients referred to the body as a CONTAINER FOR THE SOUL.

Jesus said, “don’t worry about those who kill your body, worry about those who can kill your soul” and by that he was referring to these demonic spirit beings we call aliens today who want to destroy our souls.

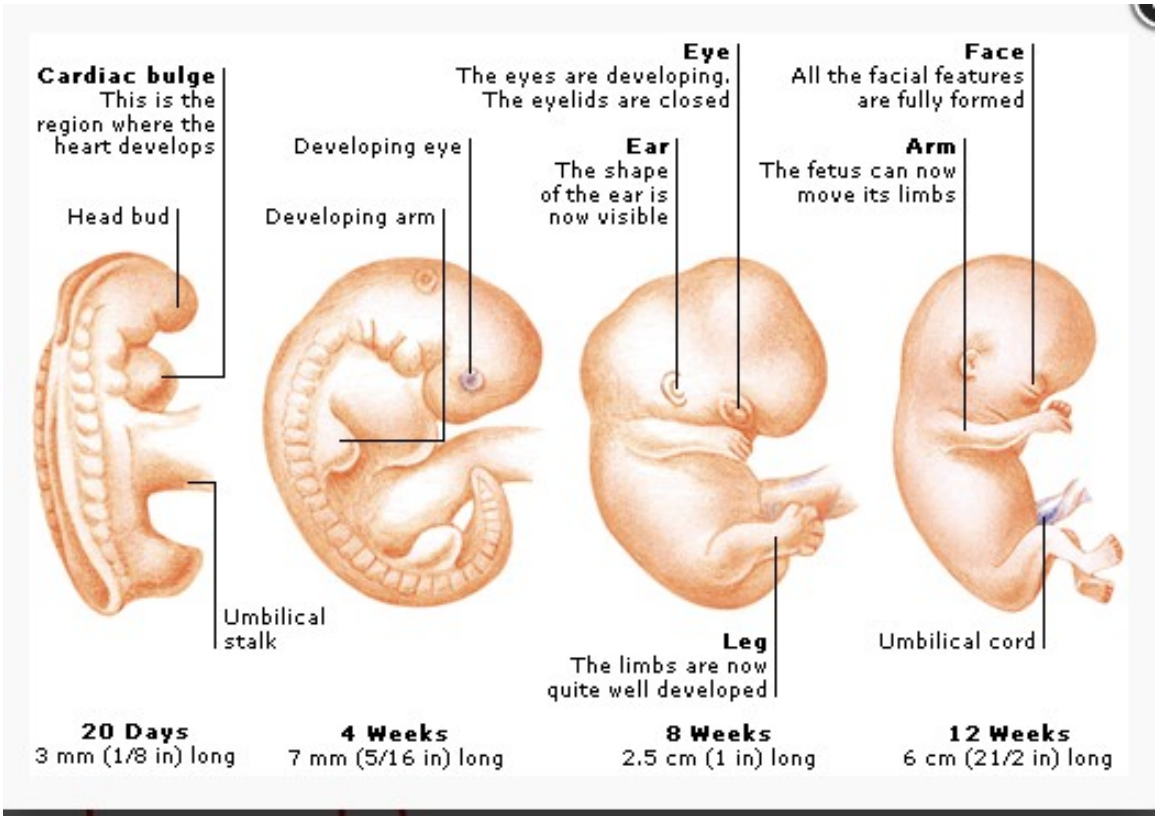
The Nag Hammadi Codices

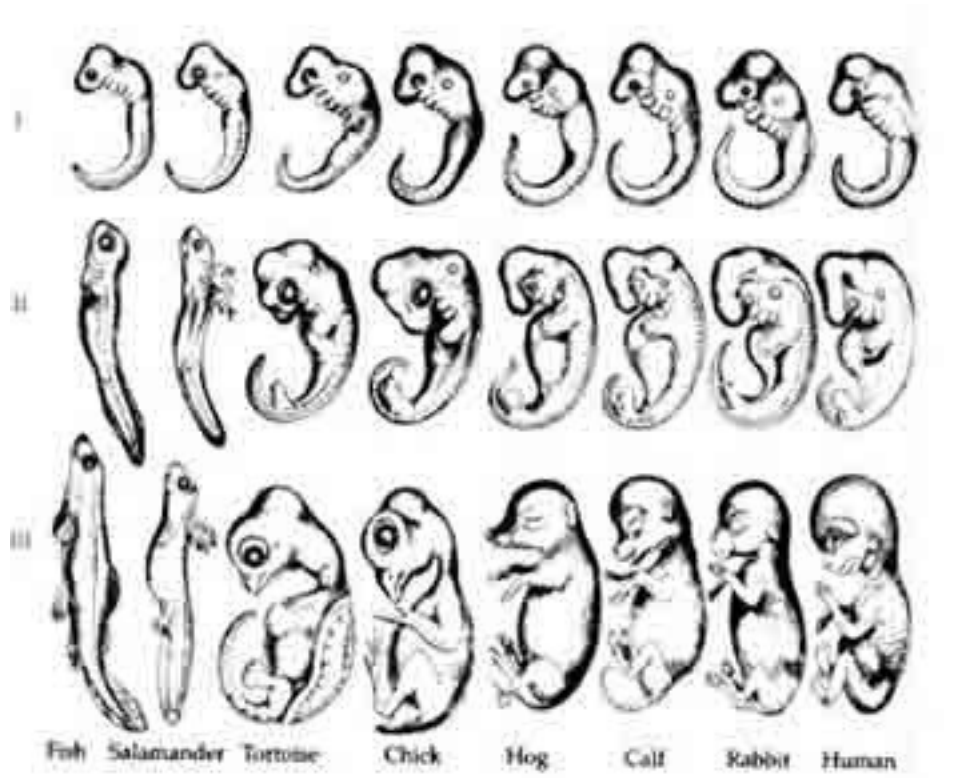
DO YOUR HOMEWORK AND QUIT FALLING FOR THE LIES WE HAVE ALL BEEN TAUGHT

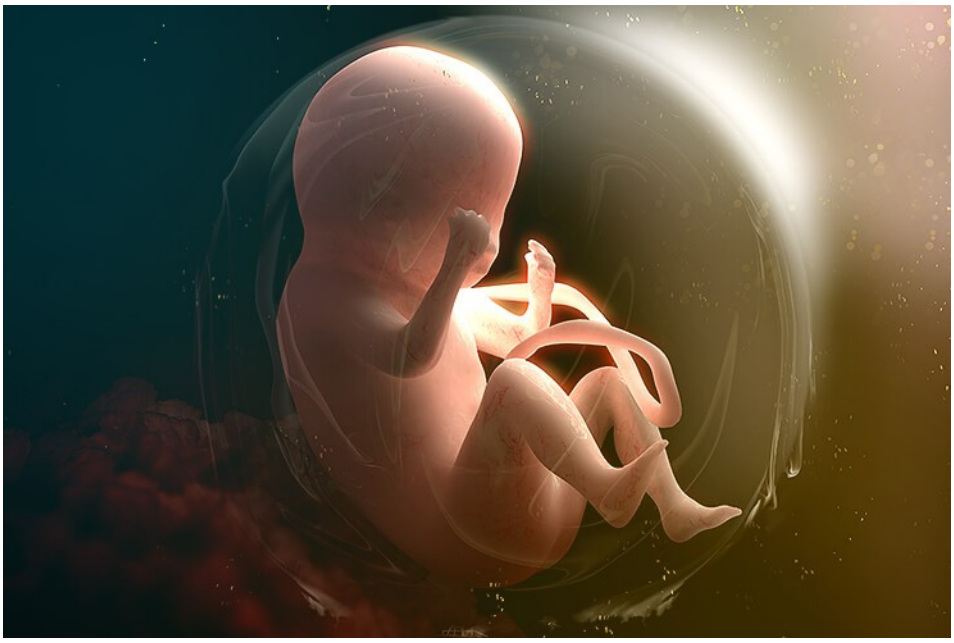
When the Nag Hammadi Scrolls/Codices were unearthed, the texts described these Archons.

The Grays were described as resembling a fetus. The reptilians were described as reptilian looking beings. Satan and the Nordic Aryan Alien “Fallen Elohim Watchers” were described as human looking with blonde hair and blue eyes primarily.

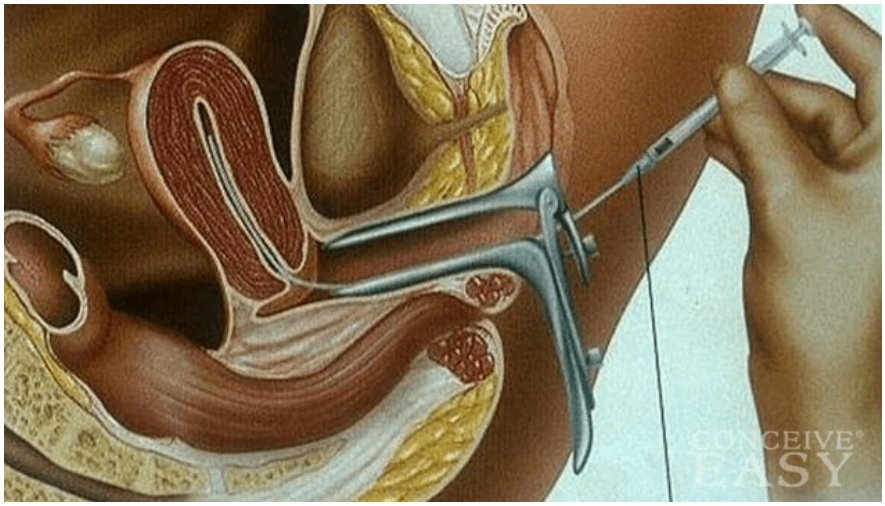
These demonic entities have tampered with our human genome and are referred to as SOUL SNATCHERS.







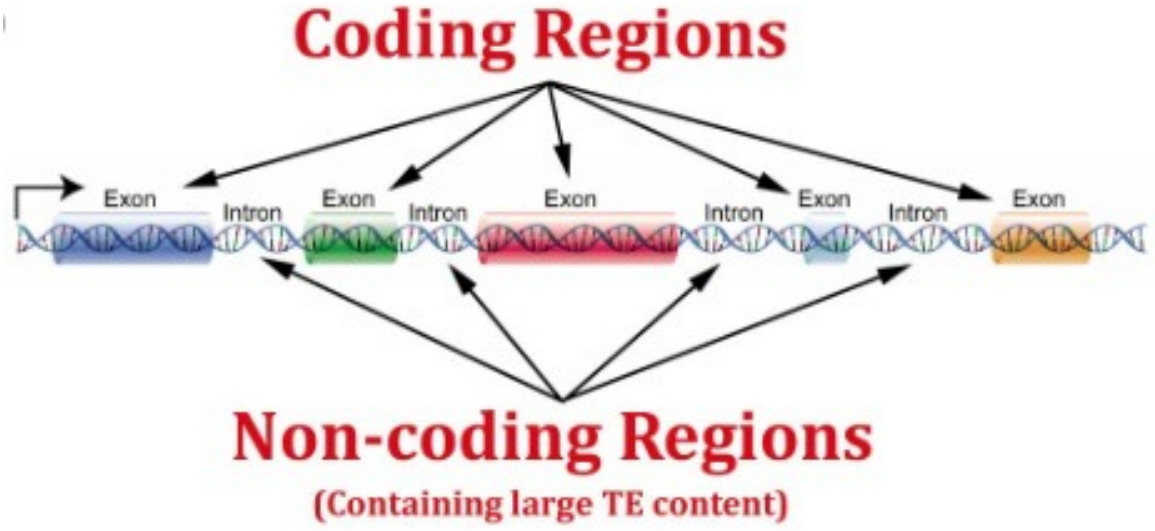
Today a developing fetus looks first like a reptilian with a tail in it’s earliest stages and then like a gray alien but finally the baby is born looking human.



When these demonic aliens abduct men and woman they artificially remove the eggs and sperm and modify them. Then they artificially inseminate woman with the fetuses that have been genetically altered.

As time passes, they re- abduct the woman during the early stages of their pregnancy and take the fetus out. These fetuses are then placed in underground incubators or where ever they store them.

In other cases the woman carries the fetus to term.



Much of our genome has no apparent purpose. Is it so-called "junk DNA" or do we simply not understand it? (Credit: ktsdesign/Shutterstock)

We know that these demonic beings are described by the ancients as **CREATED BEINGS**. Artificial Insemination and Cloning seem to be the method used to create human hybrid tribes, chimeria like Bigfoot, Dogman etc., as well as Gray and reptilian looking aliens? This does not surprise me anymore. Look at the example above of DINOMAN again; he represents a cross between a velosoraptor and a human being. Aliens cannot create human life but have been manipulating the human genome through out history to create their hybrid races. We only use 3 % of our DNA, which is known as our Active DNA, the other 97% is known as our E.T. Junk DNA which scientists thought was INACTIVE. Scientists first assumed that ET JUNK DNA was just riding

along with our active DNA for the ride. People who are born today with copper based aquatic blue blood anomalies have what ancients called Fish Blood, Serpents blood. The Jews refer their JUNK DNA as THE GOD GENES. That data is associated with the copper based aquatic hybrid humans who are running our planet today as the AshkeNAZIM Zionists, Sephardic Jews and Merovingian Global Elite New World Order DEEP STATE Guru's, this can not be a coincidence.

This DNA appears to be coming from demonic archons that cloned human alien hybrid races using aquatic "OTHER" DNA. Dagon is one of the ways the ancients depicted the fish god archon. Approximately 3% of people today have what scientists refer to as our active DNA. 97% of our DNA is what science refers to as E.T. Junk DNA. What you look like depends in part by what is in your E.T. Junk DNA but that was not always the case. At one time original man was INCREDIBLE. We operated using 100% of our active human DNA with out the E.T. Junk DNA that appears to shut down and contaminate our genome. Jesus said that we were ORIGINALLY so incredible we could move mountains and that we will again one day.

David Icke mentions these evil Archons, that we call aliens, from the Nag Hammadi Scrolls. He states that humans can create and expand their consciousness, which the Archons cannot do. Aliens have to mimic what has already been created. They are very limited. They are terrified that we will discover this because then the GAME IS UP. They have to create the perception that they are superior to us so they remain King of the World. Once we realize they are evil that they are not what they claim to be we may soon be able to take our power back. These demonic archons have to paralyze and abduct human beings and the animals they use in order to experiment on them but what would happen if they were not able to paralyze us. Would people sit back and let them abduct or experiment on us if we were given our power and skill sets back. The King of the Hill is only King of the Hill as long as his technology is working.

Elohim Archons - Demons in Disguise

As humanity awakens during this apocalyptic period on earth we have to realize we are being MINDGAMED by these demonic Archons and their AshkeNAZIM, Sephardic and Merovingian (ASM) Global Elite New World Order Deep State Guru's who have been mind gamed by these evil Archons themselves to create a world take over scheme on their behalf.

Have we been invaded YES not by aliens but by demonic beings the ancients called Archons who have installed their hybrid controllers on earth to destroy the world we live in. They affect the lives of millions of people in a evil negative way. They force their programmed puppets into performing blood sacrifices to them so that they can eat human flesh, which has been referred to as "FOOD FOR THE GODS" etc.

These entities create so many problems for us. They put most people in to a low vibrational stage that opens the door for them to enter our mind and body. The best way to protect ourselves is to Smile, be happy or GLAD and take charge of your life. Keep your vibrations high and think LOVE, LOVE, LOVE. The Apostle Paul said "Let faith hope and love abide but the greatest of these is love." This has to be part of what Jesus referred to as the "Whole Armor of God." When you are in LOVE VIBRATION, these demonic beings

cannot seem to touch you, some say they can't even see you because you vibrate electromagnetically so fast you are out of their range of perception. Others tell us that when they evoke the name of Jesus during an abduction the abduction stops. Hummmmm! It would appear that as the GOOD GUYS move into our electromagnetic field the BAD GUYS EVACUATE IMMEDIATELY, THEY CAN'T STAND THE FASTER LOVE VIBRATIONAL FIELD.

Time really does not exist it is a method man created.. These demonic entities have convinced their followers that they are travelers from the future, but the future does not exist until it happens. When it happens it is the first time that it happens. These demonic entities claim they are us from the future which is why they are so technologically superior. It makes more sense to realize that they have been around for millions of years and have picked up a few technologies as time moved forward, technologies that existed in the past seem to be what they are using today. There is "Nothing new under the sun." We need to create time or a system of time to plan out the events of the day, year, month and season but we are the ones who have created time so that we can use it to operate with in.

David Icke often says we are consciousness having a physical relationship. Another way of saying that is that we (the real man or soul with in us) is having an experience in this physical body here and now. Our soul is us, we are our soul. When people have an out of body experience it is the real man or the person inside their body who is often being abducted or is leaving the body.

If reincarnation exists and I believe that it probably does then David Icke has become our 20th century truth telling guru. Not because of the way he looks or his religious beliefs but because of his pursuit to expose these dark Archons and their ASM human hybrid controlled network. David Icke started out with a few followers and later people are stumbling over themselves to listen to what he has to say.

David Icke is part of a system that is here to save humanity from the DARK SIDE.

Unfortunately today David Icke has also been compromised.
